- 5- Click on Create Order

6- Enter original values / test values for Reference order & click on Create Draft:

7- Here in the list of products linked with the supplier, the list doesn't contains all products which are linked with the supplier. The products are sorted A-Z, So I am not able to see the product before starting letter F in the list.

For your understanding, I am please find below screenshot of product with Starting letter D, displayed with link to supplier
